COMPANY PROFILE

1.0 INTRODUCTION AND EXECUTIVE SUMMARY

Varush Global Services LTD is a full service construction management firm specializing in managing the entire infrastructure and building construction process from concept, design, and procurement, construction through closeout and client occupancy.

Varush Global Services LTD projects have ranged in size from 300 million to over 800 billion naira. We have provided our professional services for projects totaling over 1.5 billion naira of construction value. Varush is most proud of an unparalleled reputation for client service, dedication, successful project delivery, and integrity of staff.

We specialize in large-scale civil constructions by leveraging new age construction technologies. For over two decades, we have been a part of prestigious projects across a multitude of verticals, creating everything from roads and bridges to dams and barrages, nuclear power generators and rural electrification.

With business office located in Abuja, Varush Global Services Limited has within the limited time of commencing business operation, been able to provide innovative and cutting edge construction and civil engineering services and other related activities to various classes of clients, cutting across both the public and private sectors. We have also brought new standards into the industry; by approaching each client's project with a well thought-out solutions that has helped positioned them as an emerging leader in their respective industries.

Our goal has been to exceed the expectations our clients by offering them outstanding customer service, increased flexibility, and greater value for their investment, thus optimizing system functionality and improving operational efficiency.

Our Mission

The Varush mission is to provide superior construction management services. This objective is accomplished through a broad range of 'value added' services that represent and protect clients during every phase of a project, from planning and design, to procurement and construction, to start-up and operation, and ultimately to the occupancy of the new facility.

Varush Global Services Limited provides experienced, proactive and dedicated personnel that continually strive to exceed clients' expectations. We deliver construction programs yielding high quality; cost effectiveness, with on-time, safe project delivery. Varush Global Services Limited values client relationships and considers clients' projects as their own.

Our Mission is driven by the following;

- To be a leading construction company in the global market.
- To become the customers' most preferred choice by attaining excellence in quality and timely completed value added projects.

USE OR DISCLOSURE OF DATA CONTAINED ON THIS SHEET IS SUBJECT TO THE RESTRICTION ON THE TITLE PAGE OF THIS COMPANY PROFILE.

THE VISION

The Vision Statement has been inspired by the global infrastructure development needs of tomorrow, with the Customer as the central focus. It was developed after conducting a series of in-house workshops. Senior Leaders within the organization are actively involved in developing and maintaining an effective and efficient management system to disseminate the Vision across Varush Global Services Limited in order to achieve **"Customer Delight"**.

The VARUSH GLOBAL SERVICES LIMITED Corporate Mission is derived from the Vision Statement to encompass the overall strategies, objectives and goals of the Organization.

1.1 OVERVIEW

Varush Global Services Limited Construction Group, LLC has steadily grown from a small excavating company begun in 2007 into one of the nation's most experienced and respected providers of construction services. We oversee projects ranging from small interior renovations to some of the most recognizable architectural landmarks throughout the country.

In fact, Varush Global Services Limited's reputation has become one of our most important assets. That reputation was — and continues to be — founded on the integrity of our employees. Because conducting business with a strong sense of ethics and fairness is paramount to our continued success, every employee of Varush Global Services Limited and its subsidiaries pledges their compliance with Varush Global Services Limited's Code of Business Ethics and Standards as a condition of employment. In addition to conducting business in strict compliance with all applicable laws, rules and regulations, we hold our work up to the highest moral, ethical and professional standards, because doing what is fair and just never gets old.

1.2 OUR CUSTOMERS

Since its inception, Varush Global Services Limited has been a customer-focused company. We have a strong track record of repeat business from our clients, while continuing to win new customers on a consistent basis. Our long-term, time-built relationships with our customers based on confidence and trust are the result of our demonstrated performance in technology fields, industry specific expertise, product knowledge, along with proven consulting and project management methodologies for each customer and engagement.

At Varush Global Services Limited, we consider our success is on the line with our customer's satisfaction. We are committed to applying a unique depth of understanding your individual business needs, and we go an extra mile to make sure you are getting the best-of-breed solution catered to perfectly fit your requirements and objectives. This commitment has allowed us to build up a wide client

2.1 OUR SERVICES

Each project reveals its own distinct requirements and challenges requiring a firm of specialists for all stages of the design and construction process that can provide leadership to prevent problems, control costs and schedule, assure a safe and accident free construction site, and deliver a high quality facility. Varush Global Services Limited understands and possesses depth of experience in all phases of the design and construction process. Varush Global Services Limited offers full construction management services and individual components of service custom tailored to meet its clients' every need.

2.2 MANAGEMENT APPROACH

First, we look at a project from our client's eyes forming a clear picture of their particular vision and expectations. We develop an understanding of their business, budget goals, schedule and decision-making processes. Knowing our clients allows us to think outside of the box and offer creative solutions to design and construction challenges.

As a client advocate, we function as the cost and schedule 'watchdog' where the evaluation of design issues can have the greatest impact. Our construction perspective provides an independent review of documents for completeness which results in coordinated scopes of work and reduced change orders. For each project appropriately chosen project management techniques and construction professionals, consultants and experienced staff are selected to ensure project delivery success. We stay with the project to assure that subcontractor warranty and guarantee obligations are satisfied and until the client is completely satisfied.

Our management approach and seasoned team of construction professionals results in a project that is delivered safely, on time, within the established budget and of high quality standards that exceed client expectations every time.

2.3 SERVICE DESCRIPTION

❖ ENGINEERING

Varush Global Services Limited's combination of global resources and proven engineering capabilities are what deliver world-class facilities to our clients' while meeting their demanding business needs. Our streamlined global engineering process - from concept to completion - produces consistent results in some of the most difficult and challenging locations on earth by using robust, data centric and technologically advanced engineering methods.

Our proven, time-tested design approach is based on a logical sequence of processes that focus on stakeholder input and reducing redesigns that impact cost and schedule. We provide a full range of

USE OR DISCLOSURE OF DATA CONTAINED ON THIS SHEET IS SUBJECT TO THE RESTRICTION ON THE TITLE PAGE OF THIS COMPANY PROFILE.

services including EPC, grassroots facilities and revamps, offshore engineering, FEEDs and conceptual studies, start-up and commissioning, and logistics planning and simulation.

One of Varush Global Services Limited's key strengths is the ability to communicate to our clients and projects teams through our information management systems and virtual work environments. We are able to utilize our entire global expertise, regardless of their physical location. VARUSH GLOBAL SERVICES LIMITED clients benefit both from our cost effective distributed project execution and our ability to utilize Varush Global Services Limited's wealth of niche experts efficiently and effectively.

Across Nigeria, VARUSH GLOBAL SERVICES LIMITED is trusted to provide a full range of engineering and related services for some of the world's largest and most complex technology, upstream, government and energy projects. VARUSH GLOBAL SERVICES LIMITED delivers innovative solutions for tomorrow's challenges.

❖ **RURAL ELECTRIFICATION**

Varush Global Services Limited works for the development of rural areas, providing modern and adequate facilities of electricity and water, as well as maintenance and upgrading of existing electrical systems to meet the demands of the growing population of the world.

At Varush Global Services Limited, we provide comprehensive and sophisticated services for the installation, maintenance and upgrading of electrical systems. We execute projects using modern management techniques for better control and cost effectiveness thereby ensuring client satisfaction.

❖ **ROAD CONSTRUCTION SERVICES AND SOLUTIONS**

We have the capability and do handle various types of road construction and rehabilitation projects. Specifically, our Road Construction Services include the following:

- ✓ Roads and bridges construction, as well as rehabilitation
- ✓ Rural/Urban Concrete Works and Channelization
- ✓ Construction of Dams, Jetties, and Rig location
- ✓ Excavation and Reconstruction
- ✓ Kerbing and Drainage
- ✓ Stone and Block Paving
- ✓ Minor Building Works
- ✓ Macadam and Asphalt Surfacing (hand laid and machine laid)
- ✓ Road Planning
- ✓ Private Residential and Industrial roads built, refurbished or resurfaced

❖ **PROCUREMENT**

VARUSH GLOBAL SERVICES LIMITED works with clients around Nigeria to deliver the right materials and services on time and at the best price, leading to overall project success. Drawing on significant experience supporting clients in Nigeria our innovative procurement services provide a customized solution to meet our clients' specific requirements.

USE OR DISCLOSURE OF DATA CONTAINED ON THIS SHEET IS SUBJECT TO THE RESTRICTION ON THE TITLE PAGE OF THIS COMPANY PROFILE.

As the industry evolves, we see opportunities for organizations to substantially reduce costs by centralizing or outsourcing various procurement processes. From day-to-day materials and long-term assets to complex services, such as freight forwarding and huge modular construction projects, we deliver. Our procurement programs can assist with establishing and enhancing client operations, with a track record of delivering high performance, low risk processes, and first-class customer service.

❖ CONSTRUCTION AND DESIGN/BUILD

VARUSH GLOBAL SERVICES LIMITED delivers a staff of highly-trained construction professionals, a wealth of knowledge and innovative solutions to every project. Many of our construction professionals have more than 25 years of experience managing complex projects. VARUSH GLOBAL SERVICES LIMITED has deployed more than 200 craft employees to individual sites and over 100 construction equipments all across Nigeria.

Finding a company that mitigates risk, takes proactive measures, rewards safety performance, routinely executes with no recordable or lost time incidents and minimizes environmental and social impact is critical. Using a robust pre-construction planning process, VARUSH GLOBAL SERVICES LIMITED employs numerous business execution tools including project cost management systems (PCMS), planning and scheduling software (Primavera and Last Planner), quantity-based progress and performance tracking (Q-Trax) and integrated project management software (IMPS). Varush Global Services Limited's construction processes also include a strong emphasis on safety and the environment; we hold all authorized certifications.

Whether the projects are large capital, small capital or packaged, single-disciplined scopes, VARUSH GLOBAL SERVICES LIMITED approaches each with the same level of professionalism, integrity and a commitment to HS&E excellence. VARUSH GLOBAL SERVICES LIMITED can support projects of any size providing "fit of purpose" tools and execution methods.

❖ PROJECT & PROGRAM MANAGEMENT

VARUSH GLOBAL SERVICES LIMITED has significant experience with a number of large, complex project management endeavors, many of which are located in some of the most remote and challenging environments. As part of our integrated team approach with our clients, we adhere to a simple strategy: innovative, on-time and on-budget delivery regardless of the size and scope of the program.

We offer effective contract administration, cost and schedule control, work order management, quality control and design supervision to our global client base. Our services included preconstruction, purchasing, field supervision, project scheduling and subcontractor management and security.

Varush Global Services Limited's portfolio of project and program management solutions encompasses an array of integrated capabilities that is designed to give our clients the full support they need to meet their objectives.

❖ AGRICULTURAL SERVICES AND SOLUTIONS

USE OR DISCLOSURE OF DATA CONTAINED ON THIS SHEET IS SUBJECT TO THE RESTRICTION ON THE TITLE PAGE OF THIS COMPANY PROFILE.

OUR VISION AND MISSION IN THE AGRICULTURAL SECTOR FOR NIGERIA;

To be the prime mover and the leader in agricultural development in Nigeria and to promote sustainable agricultural development and reconstruction in Kenya by initiating, assisting and expanding agricultural undertakings and enterprises through production and supply of quality seed, technological transfers and training in sustainable and affordable manner.

As agricultural goods progress from field to fork they require attention, tracking and integrity. We offer an end-to-end supply chain range of services that reduce risk, ensure quality and improve productivity.

We also help ensure the integrity of the food chain by managing crops, enhancing seed development, conducting soil testing and harvesting, moving products through the global supply chain and managing trade inspection at export and import.

3.0 SAFETY (A COMMITMENT TO SAFETY)

Varush Global Services Limited's Safety Department, comprised of more than 100 dedicated professionals, assists in upholding the company's safety and health policies and ensures that safe work practices and procedures are consistent across the country.

The ultimate result of any project is that each worker goes home in the same condition in which he or she arrived on site. Varush Global Services Limited's Safety Department works closely with project managers and field supervisors to plan the safest approach to each project and to ensure safety practices and procedures are consistent across the country.

We have demonstrated that we are committed to investing heavily in our safety initiatives, even throughout the economic downturn. Our safety training programs and course auditing systems have been strengthened to ensure that all employees are knowledgeable about the latest safety techniques and certifications. State-of-the-art technologies like Predictive Solutions are providing our employees knowledge management systems and databases that allow them to share safety "lessons learned" and project site success stories in real time. Predictive Solutions helps staff identify hazards and unsafe situations before they become accidents. We understand that accidents and injuries can have tragic consequences for families, increase project costs and negatively reflect on the reputation of our clients.

REPORT OF THE AUDITORS TO THE BOARD OF VARUSH GLOBAL SERVICES LIMITED FOR THE YEAR ENDED 31ST DECEMBER 2024

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements **VARUSH GLOBAL SERVICES LTD** which comprises the Statement of Financial Position as at 31ST DECEMBER 2024 and the Statement of profit or loss, value added statement and cash flow statement for the year ended and a summary of the significant accounting policies and explanations.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statement in accordance with International Statement of Accounting standards and International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and presentation of financial statement that are free from material misstatement, whether due to error or fraud; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstance.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Audit (ISA) and Nigeria Standard on Audit issued by ICAN. Those standards required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amount and disclosures in the financial statements. The procedures selected depend on auditor's judgment including the assessment of the materiality of the risk of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the reasonableness of the accounting policies used, the reasonableness of the accounting estimates made by management, as well as evaluating, the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OPINION

In our opinion, based on the information and explanations given to us, the financial Statements give a true and fair view of financial position of **VARUSH GLOBAL SERVICES LTD** as at 31ST DECEMBER 2024 and its performance are in accordance with the Nigeria Generally Agreed Accounting Principles and SAS

**APPOINTMENT AS DEVELOPMENT PARTNER IN THE FME HOUSING FOR
ALL TEACHERS SCHEME (HATS)**

I am pleased to inform you that **VARUSH GLOBAL SERVICES LTD** has been appointed as a developer to commence the building of **250 housing units in Zamfara State** in the Pilot Stage of the FME Housing for All Teacher's Scheme (**HATS**).

Consequently, you are to take note of the followings.

- (i) That **FME** pledges its support and commitment to **VARUSH GLOBAL SERVICES LTD** as one of the executors of the Scheme.
- (ii) That the **HATS** initiative shall work with Primary Mortgage Institutions (PMIs) certified by the Federal Government to access loans from the Federal Mortgage Bank.
- (iii) That **VARUSH GLOBAL SERVICES LTD** as a developer should study the **FMBN** Affordability table on the National Housing Fund (**NHF**) which makes **N5 million** the maximum loan amount hence the 3 bedroom prototype house, for example, should fall within that range.
- (iv) That the free portion of land donated by Zamfara State Governor is meant to bring down the unit cost of individual units of 2-bedroom and 3-bedroom houses.
- (v) That **VARUSH GLOBAL SERVICES LTD** should note that the construction of the houses should meet the minimum standards as recommended by the requirements of building standard houses in Nigeria.
- (vi) That **VARUSH GLOBAL SERVICES LTD** should note that delivery time, repayment structure and time frame will be as obtained in the system.

- (vii) That, if these terms stated above are acceptable to **VARUSH GLOBAL SERVICES LTD**, it should send its representatives to **FME** to work out the details of the agreements and sign the Memorandum of Understanding (**MOU**).

While we congratulate you for scaling the competitive process to pass as one of the development partners, we look forward to your excellent performance in the Scheme.

OLOROGUN (BARR.) KENNETH O. GBAGI
Minister of State for Education
